AHMER ABBAS

Aspiring Data Analyst / Business Data Analytics / Fintech

+92 308 0541034 · ahmarabbasdgk@gmail.com · LinkedIn Profile

Data-driven Business Data Analytics student specializing in fintech, with strong skills in SQL, Python, and Power BI. Experienced in building predictive models, optimizing data workflows, and developing dashboards that enhance decision-making. Demonstrated ability to improve data efficiency and extract actionable insights. Seeking an internship or entry-level role to apply analytical and problem-solving skills in real-world business environments.

EDUCATION

COMSATS University Islamabad — Islamabad, Pakistan *September 2023 – Present*

Bachelor of Science in Business Data Analytics (Fintech)

Government Post Graduate College Boys Taunsa — Taunsa, Pakistan *August 2021 – August 2023*

F.S.C (Pre-Medical)

PROJECTS

Deep Learning Project: Survival Prediction Model (Academic)

- Built a classification model to predict survivor vs non-survivors using passenger data.
- Performed preprocessing and model training; evaluated performance using accuracy and related metrics.

Tools & Skills: Python, Pandas, Scikit-learn, basic deep learning concepts

Data Visualization Project (Self-Directed)

- Cleaned and validated datasets using Excel and Python; built interactive dashboards in Power BI.
- Analyzed key performance metrics to generate actionable insights.

Tools & Skills: Excel, Python, Power BI, data cleaning, data visualization

GenAI-Based Data Analytics Project (Self-Directed)

- Performed exploratory data analysis using GenAI tools; identified patterns and risk indicators in data.
- Designed a basic predictive framework and provided actionable business recommendations.

Tools & Skills: GenAI tools, EDA, analytical thinking, business insights

SKILLS

Technical: SQL · Python · Power BI · NLP · ETL · Deep Learning · EDA

Libraries & Tools: Pandas · Scikit-learn · Excel · GenAI Tools · Microsoft Power BI

Soft Skills: Problem Solving · Analytical Thinking · Communication · Teamwork · Leadership · Time Management · Adaptability · Proactiveness

Volunteering & Extracurriculars

Volunteer | **Pakistan Bureau of Statistics** — Islamabad, Pakistan *November 2025*

Collaborated with PBS teams to help facilitate workshops, technical talks, and coordination activities
